

Creating APEX Cloud Workspace:

1. Sign into your Oracle Cloud Account.

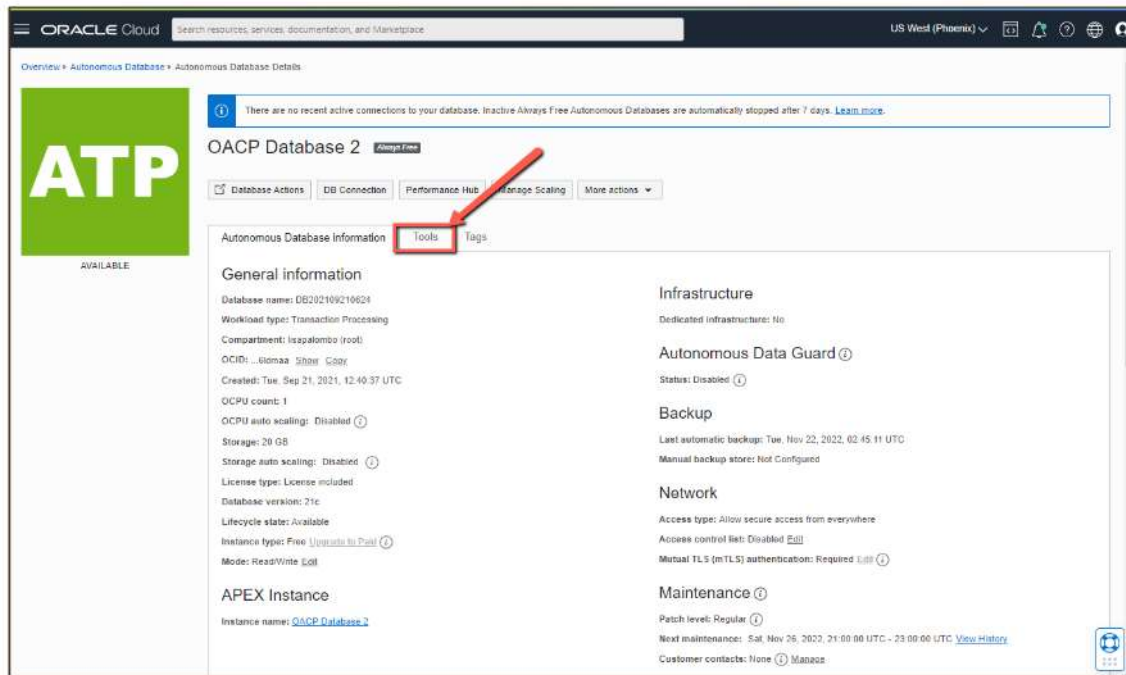

Click the hamburger (top left), select Oracle Database then Autonomous Transaction Processing.

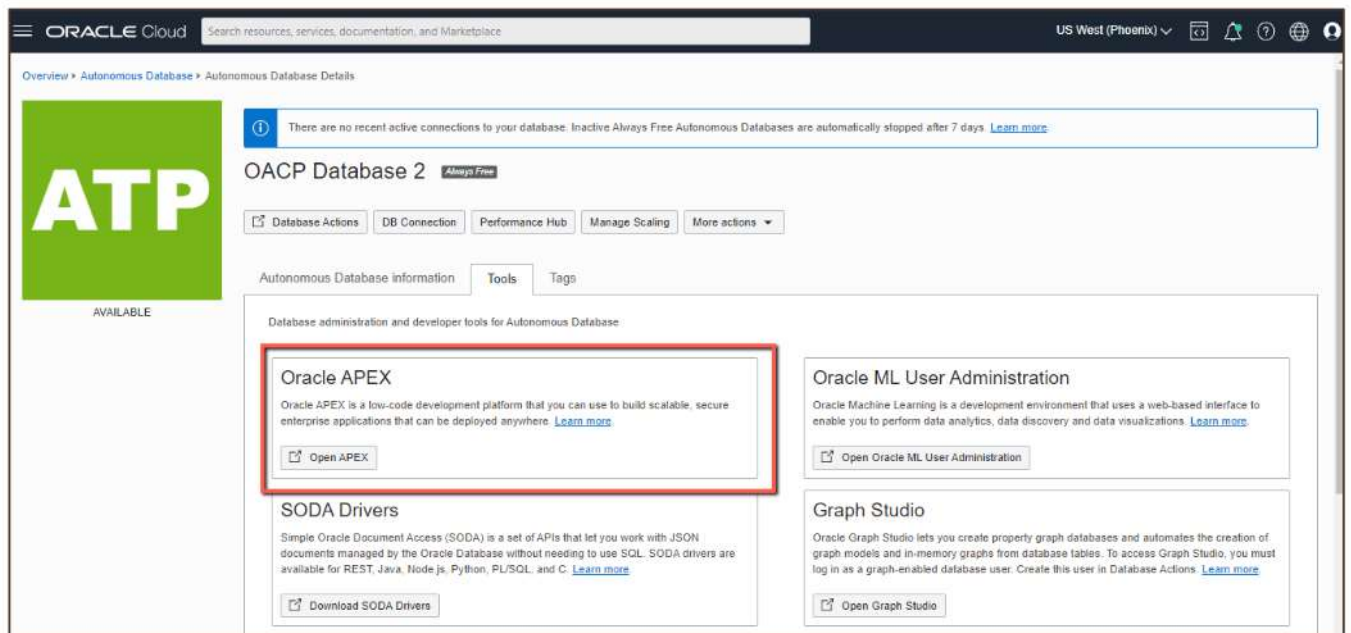

2. Click <Your Database> from the list.

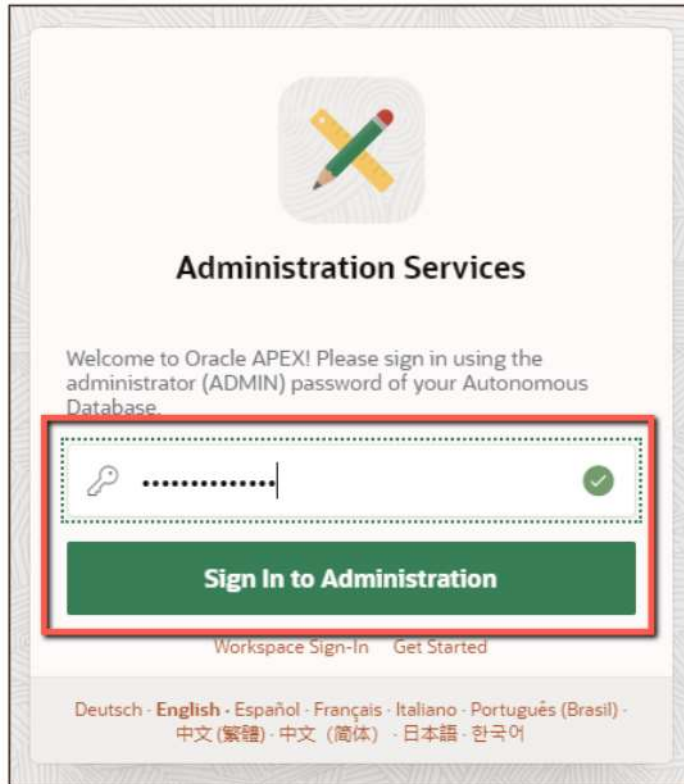

- Click the Tools tab.

- Select Oracle APEX.

5. Sign in to Administration Services using the password supplied for administrator credentials when creating the Autonomous Database instance, Click Sign In to Administration.

Administration Services

Welcome to Oracle APEX! Please sign in using the administrator (ADMIN) password of your Autonomous Database.

Sign In to Administration

[Workspace Sign-In](#) [Get Started](#)

Deutsch · **English** · Español · Français · Italiano · Português (Brasil) · 中文 (繁體) · 中文 (简体) · 日本語 · 한국어

6. Given this is your first-time entering APEX, click Create Workspace.

Welcome to Oracle Application Express!

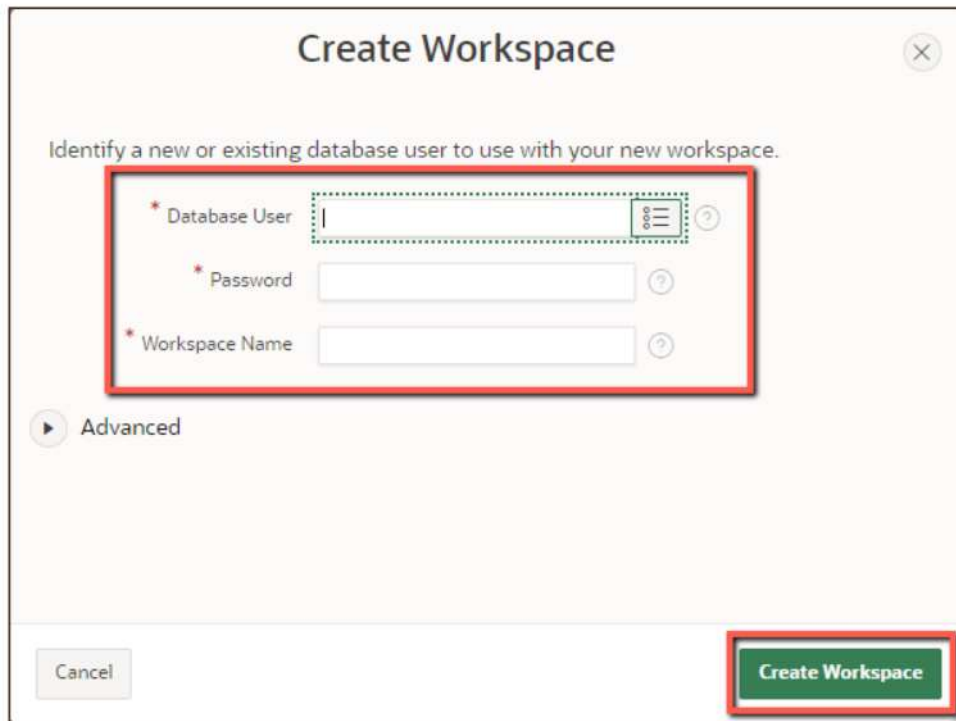

Before you get started, please take a moment to create a workspace. A workspace is a shared work area where multiple developers can build applications.

Once created, sign in to your workspace to begin building applications. Return to Administration Services to create additional workspaces or to manage this Application Express instance.

Create Workspace

7. For Database User enter an appropriate name.

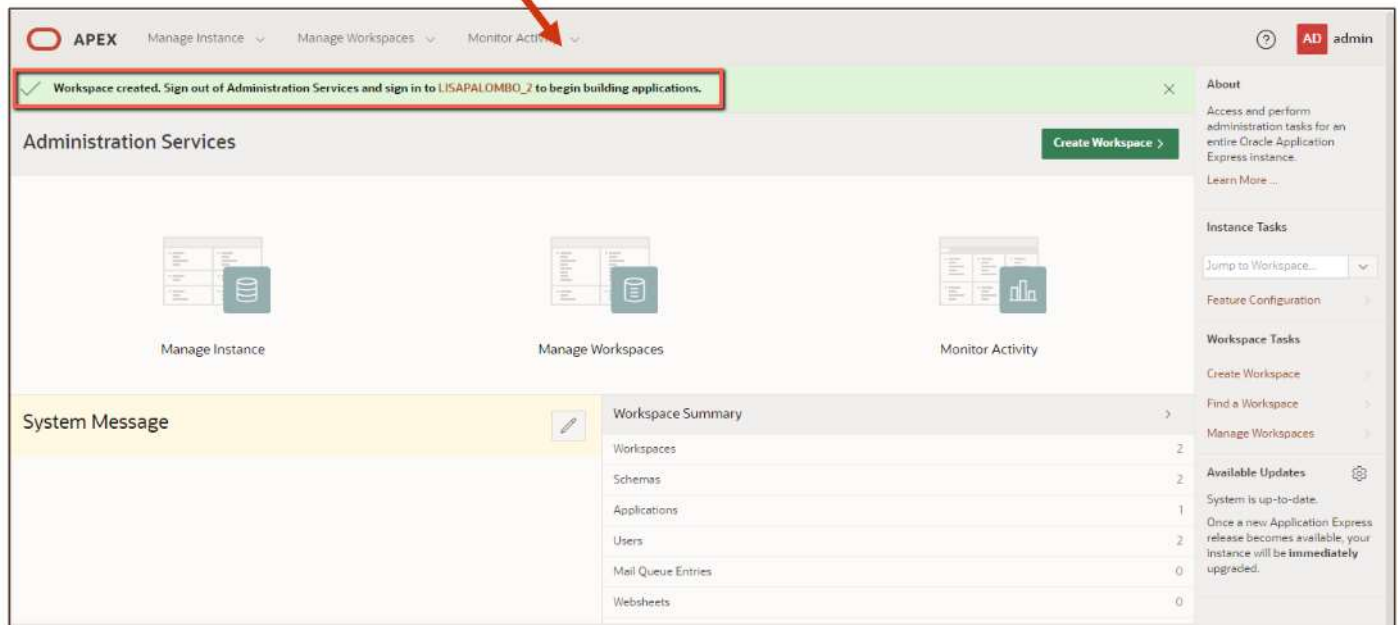

Enter a password to be used for APEX (It is recommended this remain the same as ADMIN password referenced in Step 5)
Click Create Workspace.

The 'Create Workspace' dialog box is shown. It has a title bar with a close button. The main text says 'Identify a new or existing database user to use with your new workspace.' Below this are three input fields: 'Database User', 'Password', and 'Workspace Name'. Each field has a red asterisk indicating it is required. The 'Database User' field has a dropdown arrow and a help icon. The 'Password' field has a help icon. The 'Workspace Name' field has a help icon. A red rectangle highlights the entire input area. Below the input fields is a '► Advanced' link. At the bottom are 'Cancel' and 'Create Workspace' buttons. The 'Create Workspace' button is highlighted with a red rectangle.

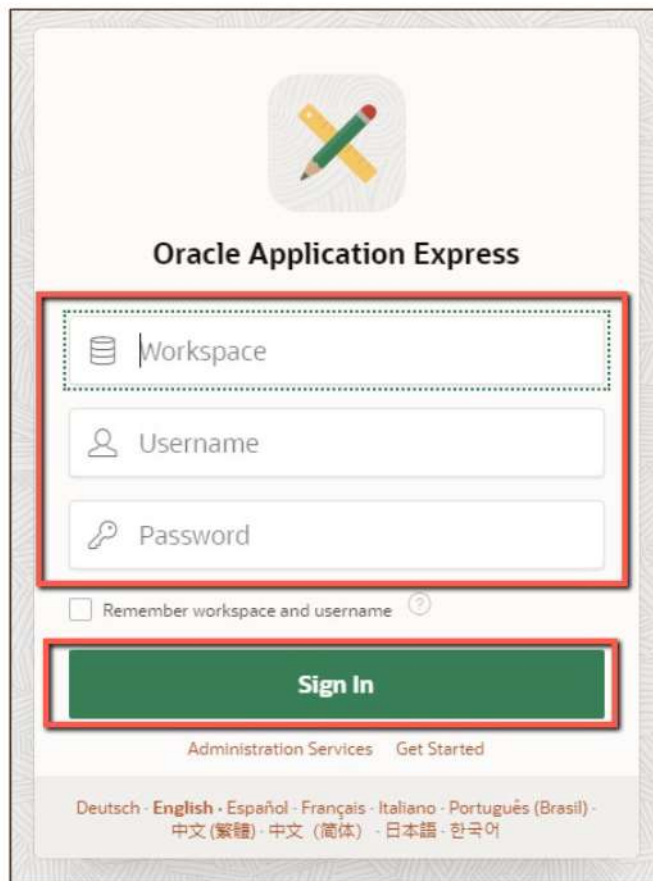

(Note : By default, the Database User will be used for the Workspace Name. You can update the Workspace Name if desired.)

8. Click on the link within the success message.

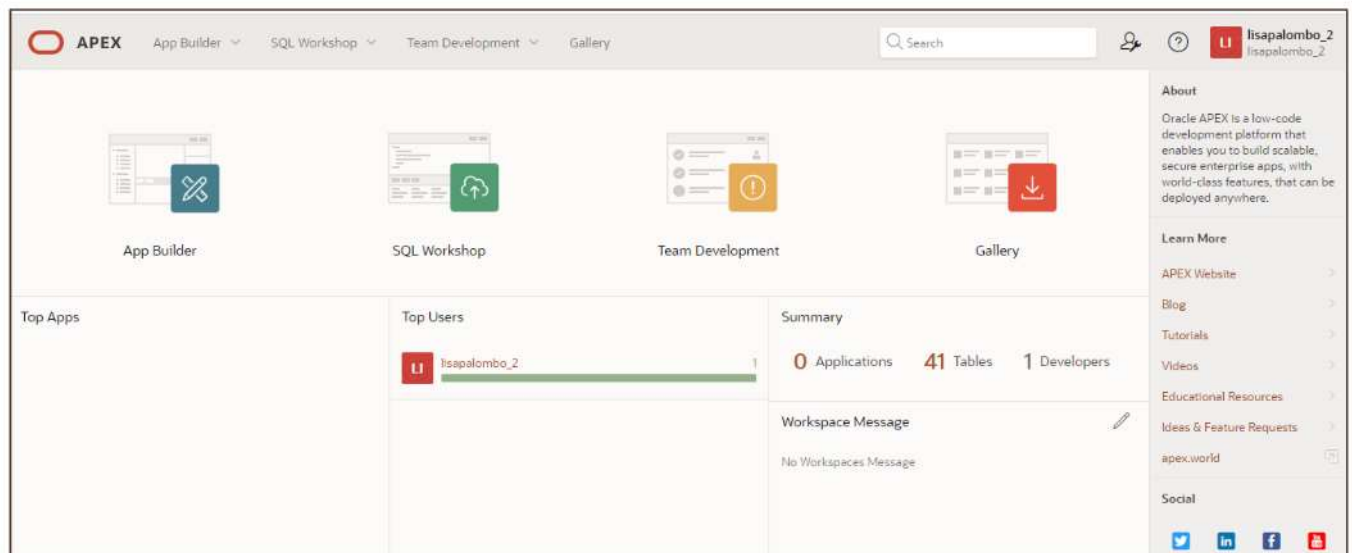

The APEX Administration Services dashboard is shown. At the top is a navigation bar with 'APEX', 'Manage Instance', 'Manage Workspaces', and 'Monitor Activity'. A green success message banner at the top says 'Workspace created. Sign out of Administration Services and sign in to LISAPALOMBO_2 to begin building applications.' A red arrow points to the link 'LISAPALOMBO_2'. Below the banner are three main sections: 'Manage Instance', 'Manage Workspaces', and 'Monitor Activity'. On the right is a sidebar with 'About', 'Instance Tasks', 'Workspace Tasks', and 'Available Updates'. The 'Workspace Tasks' section includes links for 'Create Workspace', 'Find a Workspace', and 'Manage Workspaces'. The 'Available Updates' section shows the system is up-to-date.

9. Sign into your new Workspace using credentials established in step 7.

The image shows the Oracle Application Express login interface. At the top is the Oracle APEX logo (two crossed pencils). Below it is the text "Oracle Application Express". The login form is enclosed in a red rectangular border and contains three input fields: "Workspace" (with a database icon), "Username" (with a person icon), and "Password" (with a key icon). Below these fields is a checkbox labeled "Remember workspace and username" with a help icon. A large green "Sign In" button is at the bottom of the form. Below the button are links for "Administration Services" and "Get Started". At the very bottom, there is a row of language links: Deutsch, English, Español, Français, Italiano, Português (Brasil), 中文 (繁體), 中文 (简体), 日本語, and 한국어.

10. Begin using APEX!

The image shows the Oracle APEX dashboard. The top navigation bar includes the APEX logo, links to "App Builder", "SQL Workshop", "Team Development", and "Gallery", a search bar, and a user profile icon. The main content area features four large tiles: "App Builder" (with a blue icon), "SQL Workshop" (with a green icon), "Team Development" (with an orange icon), and "Gallery" (with a red icon). Below these tiles is a "Top Apps" section. To the right of "Top Apps" is a "Top Users" section showing a bar chart for user "lisapalombo_2" with a value of 1. Further right is a "Summary" section displaying "0 Applications", "41 Tables", and "1 Developers". Below the summary is a "Workspace Message" section with the text "No Workspaces Message". On the far right is a sidebar with an "About" section, a "Learn More" section with links to "APEX Website", "Blog", "Tutorials", "Videos", "Educational Resources", and "Ideas & Feature Requests", and a "Social" section with icons for Twitter, LinkedIn, Facebook, and YouTube.
